#### My Family

Hello! My name is Pamela. I am 10. I go to school.

I have got a big family: a mother, a father, a brother, grandparents, an aunt, an uncle and cousins.

My mother's name is Susan. She is an office-worker. My father's name is Tom. He is a doctor. My little brother's name is Peter. He is 7. He goes to school. We live in a flat in New York.

My grandparents live in the village. Grandma Meg and grandpa Bob have got a big house and beautiful garden. Every Saturday and Sunday we visit them. We help them to work in the garden.

My aunt Jane and uncle Bill live in San Diego. They are doctors. My cousins Amy and Tim are nice. They go to school. We visit them every summer.

I like my family very much!
